privatisation of telephone services in the country;

(b) if so, what are the demands of the basic operators and how many of them have signed licence agreement with the DOT so far; and

(c) what concrete steps DOT has taken so far to seek help at inter-State level in order to sort out the difficulties at the Government levels?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS (SHRI KABINDRA PURKAYASTHA): (a) Discussions have been held with private basic operators for reviewing the progress of implementation of their projects. Efforts are being made to sort out the difficulties pointed out by them by coordinating with various State Government and Central Departments such as expeditious permission for laying of cables along highways and on forest land. No concession beyond the terms and conditions of Licence has been offered.

(b) The Association of Basic Telecom Operators has demanded shifting of effective date of licence by one year and also the extension of licence period from 15 years to 25 years. Six private companies have signed the licence agreements with Department of Telecom.

(c) Meetings have been held at Secretary's level with the Ministerics of Surface Transport and Environt & Forests to sort out the burning problem of Right of way faced by the licensees in the implementation of their projects. Chief Secretaries of the respective State Governments have also been addressed demiofficially to extend necessary cooperation in this regard.
